We've seen Lainey's story in *The Art of Lainey*, but now we'll hear Micah's tale in this digital novella from Paula Stokes.

Seventeen-year-old Micah Foster is looking forward to the return of his girlfriend, Amber. She's been away in Los Angeles recording an EP with her band, Arachne's Revenge. But when Amber returns home on the anniversary of Micah's dad's death, everything has changed. Over the next few days, as Micah tries to repair his relationship with Amber, he relives the events of the past few years and recognizes a pattern. His friends and family are right—Micah self-destructs every April. Will Amber be this year's casualty? Or can Micah escape his past in time to fix his present?

Epic Reads Impulse is a digital imprint with new releases each month.
