Styling for Entertaining: 8 Simple Steps, 12 Miracle Makeovers Susie Coelho

In *Styling For Entertaining*, Susie Coelho reveals how ordinary spaces can be easily transformed into settings for casual entertaining or extraordinary parties -- with minimum effort and maximum effect.

Susie Coelho is today's freshest force in lifestyle. As a bestselling author and television host, her accessible philosophy and inspiring personality have made her a trusted authority on styling advice.

In this hands-on guidebook, Susie styles four areas (living room, dining room, patio, and lawn) in three different ways. Using her signature styling philosophy, Susie reinvents each space for a casual entertaining get-together, a seasonal party, and a special, one-of-a-kind event. You'll see that when the emphasis is on styling (which uses things you already have) rather than decorating (which generally means a lot more time and money), almost every makeover can be done in as little as one day and may cost next to nothing!

Styling success is inevitable when you use Susie's formula. You'll see all eight steps in action: planning the occasion; envisioning the ideal setting; developing a makeover style; creating a style board and using a "style file" (Susie's great organizing tool); painting your color palette; gathering your styling supplies; styling the space (by laying the foundation, softening the lines, and personalizing with details); and finally, styling the food and table. Susie shows you how to make a living room come alive for a vintage-inspired birthday party; how to transform a dining room for a festive Thanksgiving; how to dress up a patio lunch with French flair; and even how to turn your lawn into an exotic Moroccan lounge for a summer gathering. Lavishly illustrated with 200 full-color photographs, each of the twelve makeovers are as inspirational as they are informational.

Full of quick-results styling tips for pulling any event together with economy and flair to spare, *Styling for Entertaining* eliminates the need for hiring caterers or renting spaces. This essential stylebook will help you transform even the simplest occasion into an opportunity to express yourself, entertain your guests with ease, and most important...have fun!
