**Columbus (Spanish Edition)** Ignacio Solares

**En *Columbus* la historia y la ficción se reconocen, dialogan al trascender sus límites, y ofrecen una visión paradójicamente actual de la vida fronteriza. Solares narra con humor mordaz un episodio chusco -pero no por ello menos trágico y trascendente- de la cara o cruz de la historia de México.**

Fue Villa, ¿quién más pudo haber planeado la única invasión latinoamericana que ha sufrido Estados Unidos? Una intervención cuyo motivo fue "vengar tanta ofensa y humillación de Estados Unidos a México a lo largo de la historia... Por desgracia, como estaba tan oscuro la noche en que entramos a Columbus, confundimos los establos con los dormitorios de la guarnición y matamos un montón de caballos en lugar de soldados, lo que les permitió organizar la contraofensiva. El triste resultado final fue de sólo diecisiete gringos muertos, en su mayoría civiles, a cambio de más de cien de los nuestros y muchos heridos. Ahora, que el susto, ¿quién se los quita? No te imaginas la emoción que se siente gritar: "¡Mueran los gringos!", en pleno territorio norteamericano."
