La philosophie des Bantous: Essai philosophique (French Edition) Anaïs Sironval

Existe-t-il une philosophie africaine et donc bantoue ? Pourquoi cela fait-il débat ? C'est une question fondamentale à laquelle il faudra répondre, car s'il existe bel et bien une philosophie bantoue, cela est loin d'être accepté par tous. Pourtant, toute cette ethnie a construit son mode de vie, son éthique, son organisation sociale et juridique à partir d'un concept : celui de force. Cette force est une force ontologique, proche du concept d'essence dans la philosophie occidentale tout en s'en distinguant. L'ontologie bantoue est donc au cœur de cet ouvrage qui tentera, non seulement d'expliquer le concept de force, mais aussi montrera l'importance de la vie chez les Bantous, les liens entre les vivants et les morts, et comment relier tout cela dans un mode de vie traditionnel, une éthique sacrée et fondamentalement ontologique. Qu'est-ce que le mal dans une société qui conçoit tous les êtres liés les uns aux autres, pouvant s'influencer mutuellement ? Ce livre a pour but de montrer l'importance de cette notion de force dans leur philosophie, sa place centrale dans tout leur système.
