Myriam Bahia Lopes

O rio em movimento: quadros médicos e(m) história, 1890 - 1920 (Portuguese Edition) Myriam Bahia Lopes

Fruto de ampla pesquisa historiográfica, o livro oferece uma (re)leitura sobre a Revolta da Vacina em um Rio de Janeiro ainda com características próprias dos primórdios republicanos. A autora trabalha com os diversos elementos que se aglutinaram para compor esse quadro da nossa história. A forma inovadora da escrita - narrativas entrecruzadas -, ilustrada pelas representações plásticas da época, confirma a recusa a dar respostas acabadas a indagações, desvendando facetas inesperadas que fortificam qualquer explicação conclusiva a que se queira chegar. Resulta desse conjunto uma vívida descrição do que foi o movimento dos revoltosos pelas ruas do Rio naqueles dias. Livro que, além de abrir novas perspectivas para os estudos sobre as questões urbanas, tem o mérito de atualizar o diálogo sobre o assunto.
