Understanding Pathological Demand Avoidance Syndrome in Children: A Guide for Parents, Teachers and Other Professionals (JKP Essentials) Margo Duncan, Zara Healy, Ruth Fidler, Phil Christie
This straightforward guide offers a complete overview of Pathological Demand Avoidance Syndrome (PDA) and gives practical advice for overcoming the difficulties it poses in a wide range of contexts from diagnosis through to adulthood.

Starting with an exploration into the background of PDA that answers many of the immediate questions triggered when a child is first diagnosed, the book goes on to look at the impact of the condition on different areas of the child's life and what can be done to help. The authors present useful information on early intervention options and workable strategies for managing PDA positively on a day-to-day basis. They also examine ways to minimize common difficulties that may be encountered at home and school, making life easier for the child, family and peers. The final chapters tackle new problems that can arise when the teenage years hit and how to assist a successful transition from adolescence to adulthood. Illustrative case examples are included throughout, and the book concludes with a list of valuable resources for further information and advice.

Full of helpful guidance and support, this user-friendly introductory handbook is essential reading for anyone caring for, or working with, children with PDA.

From reader reviews:

Dominique Fletcher:

Nowadays reading books be than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want feel happy read one along with theme for entertaining for instance comic or novel. The particular Understanding Pathological Demand Avoidance Syndrome in Children: A Guide for Parents, Teachers and Other Professionals (JKP Essentials) is kind of reserve which is giving the reader erratic experience.

Anne Stewart:

Information is provisions for anyone to get better life, information presently can get by anyone from everywhere. The information can be a expertise or any news even a huge concern. What people must be consider if those information which is from the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Understanding Pathological Demand Avoidance Syndrome in Children: A Guide for Parents, Teachers and Other Professionals (JKP Essentials) as the daily resource information.

Linda Sandoval:

The reason why? Because this Understanding Pathological Demand Avoidance Syndrome in Children: A Guide for Parents, Teachers and Other Professionals (JKP Essentials) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking means. So , still want to hesitate having that book? If I ended up you I will go to the reserve store hurriedly.

Mary Alejandro:

You can spend your free time to read this book this guide. This Understanding Pathological Demand Avoidance Syndrome in Children: A Guide for Parents, Teachers and Other Professionals (JKP Essentials) is simple to create you can read it in the park your car, in the beach, train as well as soon. If you did not include much space to bring often the printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the book in your smart phone. Thus there are a lot of benefits that you will get when one buys

this book.
